

# Critter's Den

## A guide to pet coexistence

We need to stop blaming the pet, for the owner's lack of attention and action. It is about time all animal lovers to stick together for our fury friends.

It is about time we all seat back down and open our ears and get ready to learn and re-learn how to train and take care of our pets. From dogs to cats, and from bird to lizard! all of those beautiful creatures depend on us! So come along and get ready to be amazed.
